

Property Photography Checklist

A clear room-by-room reminder before you publish your property listing.

Checklist

- ☐ Open curtains and use natural light where practical.
- ☐ Remove obvious clutter, personal paperwork and security information.
- ☐ Photograph the front exterior, main living spaces, every bedroom and bathroom.
- ☐ Include garden, balcony, parking or useful storage where relevant.
- ☐ Keep the phone or camera level and avoid extreme wide-angle distortion.
- ☐ Check images are sharp and accurately represent the property.

LISTING WITH PROPEO?

Your full Owner Hub is included.

The Owner Hub adds deeper photography guidance, listing resources, video walkthroughs and the complete practical download library.

Propeo Owner Advice · Version 1.0 · Last reviewed 16 September 2026.

General information only. Not legal, financial or tax advice, and not specific to your property.

Requirements differ across the UK and can change over time. Check current official guidance where relevant.
